

CLYDE MALONE COMMUNITY CENTER

# You<sup>th</sup> Council

**Be a part from the very beginning! Help to build your own Council!**

You can **be part of developing** the Malone's new program!

- ◆ Meet new people and hang out with your friends
- ◆ Create your own youth council!

Have you ever thought about designing **your own projects**?

For example: **organize FUN get-togethers** like  
**sport events, Rap contests or dances**

## What is a Youth Council?

It is a **youth driven and youth run** committee and you get to say  
**what happens! Your voice matters, you make the decisions!!!**

## How can I become a part of this?
